La Pinsonnière rated five stars

Cap-à-l'Aigle, 24 August 2006 - La Pinsonnière has just been awarded a five-star rating by Quebec's tourism industry corporation. This member of the prestigious Relais & Châteaux chain since 1985 now becomes Quebec's 19th five-star hotel.

Owners Valérie and Jean Authier completed major renovations over the winter of 2006 representing an investment of almost \$1 million. The number of rooms was reduced from 26 to 18 and the inn now features luxury rooms and suites exclusively. This has earned the La Malbaie establishment the coveted five-star classification.

Under one roof, La Pinsonnière offers the friendly, personalized service of a charming inn with all the conveniences of a large hotel. Guests can enjoy the indoor pool, sauna, tennis courts, hiking trail, rustic beach and treatments in the Spa. The highly rated food is proudly complemented by a cellar housing 12,000 bottles with 725 labels.

To mark this milestone, La Pinsonnière is offering a "Sleep in the Stars" package featuring breakfast in bed and champagne. Information: www.lapinsonniere.com or 1-800-387-4431.
